PC Audio

Speaker and Headsets for all Demands

Product range update

The market for PC audio accessories is one of the fastest-growing areas in the computer accessories segment. Vivanco has recognized this trend and with its new 2.2 and 2.1 Speaker Systems is again setting standards in this growth market, driven mainly by the areas of "Gaming – Playing games on the PC", "DVD – Watching movies on the PC", and "MP3 – Listening to music on the PC". The high margin product line of PC headsets furthermore offers new attractive products for the segments "PC Gaming" and "Voice over IP".

What information does the abbreviated designation of loudspeakers and headsets convey?
e.g.: SP 2.1 350 THO

SP	2.1	350	THO
Catagory	**Channel**	**Feature**	**Name or Usage**
SP = Speaker **HM = Headset** **MF = Microphone**	**2.1 = 3-Channel** **5.1 = 6-Channel** **Ohne = 2-Channel**	**DSP = Sound Prozessor** **or** **Consecutive Number**	**THO = Thor** **ODI = Odin** **VOIP = Voice over IP** **GAME = Gaming**

2.2 Speaker Systems

B_SP 2.2 ODI ctn qty. 2 EDP-No. 25720 new

bazoo "Odin 2.2" Subwoofer System

The Odin 2.2 Speaker System is exactly the right speaker set for people who love massive bass and powerful sound! With double bass speakers and 830 Watts (p.m.p.o.), The new 2.2 bass technology ensures perfect bass response. Separate controllers for low and high frequencies allow optimum customization for every preference. All stereo signal sources, such as soundcards, MP3 players, HD players, etc. with 3.5mm jacks can be connected and played back in outstanding quality.

- 44 W RMS / 830 W p.m.p.o. music power
- Separate control of bass and treble
- New 2.2 technology for extra bass power
- Piano finish front and chrome-like knobs
- Blue power LED bar
- 2 red bass LED bars
- Frequency range 45 - 18.000 Hz
- Magnetically shielded
- Satellites with RCA connection
- Incl. 3.5 mm audio cable for easy connection of different audio sources
- Dimensions: Subwoofer: 280 x 180 x 250 mm
  Satellites: 99 x 182 x 140 mm
- Packaging: cardboard box

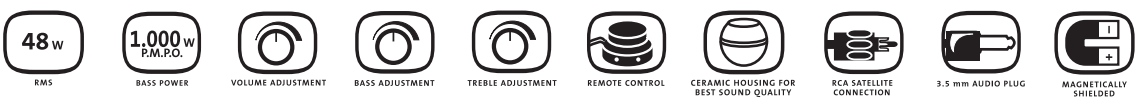
2.1 Speaker Systems

B_SP 2.1 SOS ctn qty. 1 EDP-No. 25721 new

bazoo Sound of Stone "REA 1000" 2.1 Ceramic Speakers

It's coming back! The bazoo Sound of Stone Ceramic Speaker System celebrates its resurrection - with updated design and including a cable remote control! The revolutionary ceramic material - which is not used by any other maker in this way - creates an enormous sound playback out of an almost resonance-free housing. The included wired remote control allows the comfortable volume control but also the connection of a headphone or a second audio source - with this it is easy to connect an MP3 player and use the Sound of Stone as a playback system.

- 48 W RMS/1.000 W p.m.p.o. music power
- Almost resonance-free ceramic housing for subwoofer/satellites
- Wired remote control with headphone out / line-in
- Separate control of bass and volume (on the subwoofer)
- Magnetically shielded
- 3.5 mm audio connection
- Satellite connection with RCA plugs
- Subwoofer dimensions: 169 x 365 x 270mm
- Satellite dimensions: 108 x 90 x 143mm
- Built-in power supply with euro plug
- Dimensions: Subwoofer: 5" (approx. 12,7cm)
  Satellites: 3" (approx. 7,6cm)
- Packaging: cardboard box



PC Audio

2.1 Speaker Systems

vivanco

new **SP 2.1 550 THO** ctn qty. 4 EDP-No. 25722

2.1 Speaker System "Thor 550"

The 2.1 Speaker System THOR 550 is best for playing music or videogames. The chance to adjust the bass volume allows the easy adjustment of the sound output to personal needs. The volume can be preset at the subwoofer and finetuned by a cable remote control. All stereo signal inputs, e.g. sound cards, MP3 players, HD players, etc. can be connected easily with high quality playback.

- 550 watt p.m.p.o. / 28 watt RMS music power
- Frequency range 40 - 20.000 Hertz
- Cable remote control to finetune the volume
- Bass and main volume can be adjusted at the subwoofer
- Wooden housing (MDF) for subwoofer and satellites
- Glossy front frames
- Satellites connected by RCA plugs, audio connection to source by 3.5mm plug
- 2-pin euro plug with internal power supply
- Dimensions: Subwoofer approx. 173 x 162 x 220 mm
  Satellites approx. 110 x 100 x 110 mm
- Packaging: cardboard box
